Advancing Literacy, Empowering Educators

For more than 70 years, EPS Learning has partnered with educators to advance literacy as the springboard for lifelong learning and opportunity.

Virginia Literacy Partnerships Recommends EPS Learning's Supplemental & Intervention Solutions

As part of our commitment to providing cutting-edge Science of Reading literacy intervention solutions, we're delighted to announce that our below programs have been recommended by the Virginia Literacy Partnerships for meeting the criteria outlined in the Virginia Literacy Act. This recognition underscores the exceptional quality, effectiveness, and educational value of our programs.

Intervention

Decodable Readers

Great news! Ancillary materials like decodable readers do not require independent program review through the VLA process. You're welcome to keep using or order more of our fantastic decodables, including SPIRE, Primary Phonics, Alphabet Series, and Readfetti.

SPIRE

Extensive library covers topics in science, social studies, and literature. As students apply phonics skills to connected text, they are exposed to a variety of genres.

Grades & Tiers: K-8 | Tiers 1, 2 & 3

Reading Pillars: Phonemic Awareness and Phonics

The Alphabet Series

Helps students practice key phonics skills while also simultaneously reading motivating, engaging stories. The stories increase in difficulty as the lessons progress, empowering students to practice target words and review sounds and sight words.

Grades & Tiers: K-6 | Tiers 1, 2 & 3

Reading Pillars: Phonemic Awareness and Phonics

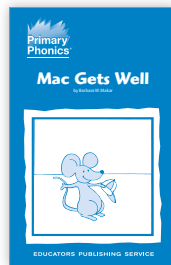

Primary Phonics

Engaging stories foster early literacy growth and bolster readers' confidence as they apply newly acquired phonics skills to captivating stories.

Grades & Tiers: K-2 | Tiers 1, 2 & 3

Reading Pillars: Phonemic Awareness and Phonics

Readfetti

Develop early literacy skills through diverse, multicultural, fiction and nonfiction books with colorful illustrations and photographs.

Grades & Tiers: K-2 | Tiers 1, 2 & 3
